

TRAVEL_AI - PROVIDER POLICY DEMO

1. Provider must submit correct business and contact information.
2. Provider documents must be valid, readable, and owned by the applicant.
3. Provider is responsible for tour quality, guide coordination, and service accuracy.
4. Tour prices, schedules, cancellation rules, and included services must be clear.
5. Travel_AI may reject or suspend provider accounts if policy violations are found.
6. Provider agrees that admin can review uploaded documents before approval.

This is a demo policy file for testing provider application flow.

Generated for Travel_AI development environment.
